ABOUT US

We provide high quality feeds and supplies for your livestock, horses and pets. Come in and chat with our friendly, knowledgeable staff today!

Cody Feed is your best source for animal feed in Cody, WY. We offer an extensive line of products to suit any need. The foundation of a healthy animal begins with quality nutrition. We understand the connection people have with their pets and livestock.

Our goal is to provide the customer with the best quality at the lowest price. We stay away from feeds that are least cost formulated whenever possible. Everyone deserves to feed their animals the best without breaking the bank! It's all about cost per head per day. It may cost more up front but when you feed high quality, you are feeding less over the long term. Feeding less means saving money! That's an idea we can get behind!
